A.M.

Thurs.

Helped Tim with speech. Told him to pick a topic he enjoys. Tim picked mountain bikes. We had a bowl of my delicious cereal. Sent blue suit to cleaners.

Tim's speech is getting better. Got him to imagine his audience in their underwear so he wouldn't be so nervous. Brought Tim 2 more boxes of Crunch. He loves that sweet crunchy taste!

Tim can't wait to give speech. Maybe all he needed was to crunch up his confidence. Cleaned my room. Have to stop eating my cereal in bed.

Took Tim his favorite cereal, Cap'n Crunch. He's not sure about giving a speech to his class.

Tim's speech was terrific! Got applause from the whole class. I knew he could do it. Weekend! Time to go to national speed boat races!

Lizards

When a predator grabs the tail of a lizard, it breaks off the tail. But it doesn't hurt the lizard to lose its tail because it has a special built-in snap-off point. When the predator grabs the tail, the lizard contracts the muscles in the tail and it breaks off cleanly. A lizard's tail can grow back as many times as needed. The broken tail wriggles and distracts the predator long enough for the lizard to scurry away.

EDITOR'S NOTEBOOK

Dear Archie Readers,

It seems that almost everyone these days wants to have a TV Talk Show. Some television stations are even asking for viewers' opinions as to whether certain celebrities should have their own shows. Being somewhat of a celebrity myself, I thought it might be a good idea for me to have one. Unfortunately, since I bear such a strong resemblance to Brad Pitt, legally I might be infringing on his superstar image. So I scrapped the idea.

However, problems such as these do not happen in Riverdale, U.S.A., home of Archie and his friends. Try to imagine Riverdale High having its own public access cable show. Can Archie and the gang's outrageous and spontaneous antics co-exist with Mr. Weatherbee and his frenzied faculty? Find out when Riverdale High goes "On The Air" in ARCHIE & FRIENDS #18, on sale in March. Bill Golliher and Dan Parent did all of the imagining for this hilarious story. So pick up your very own copy, lock yourself in your room and enjoy!

When it comes to keeping up with current fashion trends, Betty, Veronica, Archie, Reggie and occasionally Jughead are pretty much with it. So would you be shocked to see Archie wearing an earring? Of course not, after all, you do, don't you? Not only that, but he beat his archrival Reggie to the punch. Is the Regster going to let ol' freckle snoot get away with showing him up? I don't think so! Anyway, grab a copy of ARCHIE #447, on sale in March. You'll be glad you did.

Y'know, maybe I should have my own talk show. What do you think? Write your letters to: Victor Gorelick, Editor, Archie Comic Publications, Inc., P.O. Box 419, Mamaroneck, New York 10543.
